- Operates forklift, crane or other heavy equipment in a safe manner.
- Participates in all inventories.
- Performs other duties as needed by the Shipping Supervisor.
- Conducts safety audits.
- Ensures ISO procedures are performed correctly.
- Other duties may be assigned.

KNOWLEDGE, SKILLS, ABILITIES:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Ability to read preventive maintenance sheets and instruction manuals.
- Writes weekly preventive maintenance reports.
- Uses verbal communication skills on the radio and in working with Laborers, other drivers, and associates from other departments.
- Reads pipe numbers and other markings, including fractions, tape measure, calculates peak loads and rigging loads.
- Operates forklifts, spreader bar, grease gun and gas pump.

EDUCATION/EXPERIENCE:

- High school diploma or general education degree (GED); or one to three months related experience and/or training; or equivalent combination of education and experience.

CERTIFICATES, LICENSES, REGISTRATIONS:

- Forklift certification or ability to obtain upon employment.
- Ability to certify on Grader/Loader and other various industrial powered vehicles.
- Overhead Crane certification or ability to obtain upon employment.

WORK HOURS / SHIFT:

- Work hours vary or change based on operational needs.
- Must be able to work overtime as required.

PHYSICAL DEMANDS/WORK ENVIRONMENT:

- While performing the duties of this job, the employee is regularly required to stand; use hands to touch; reach with hands and arms; and talk or hear.
- The employee frequently is required to walk and stoop, kneel, crouch, or crawl.
- The employee is occasionally required to sit, climb or balance, and taste or smell.
- The employee must regularly lift and/or move up to 10 pounds, frequently lift and/or move up to 25 pounds, and occasionally lift and/or move up to 50 pounds.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.
- Project timelines and work volume/deadlines may often require working outside of standard hours, weekend or evening work, and travel to complete essential duties of this job.
- Ability to carry out instructions furnished in written, oral, or diagram form and to solve problems involving several variables.
- Personal Protective Equipment is required when in the Plant, Yard or Construction Areas.
