FLSA Status: Non-exempt

Job Location: Saginaw, Texas

Northwest Pipe Company (NASDAQ: NWPX) is a North American leader in the manufacturing of welded steel pipe and tube. With over 50 years in the business, we provide the highest quality products, at competitive prices, with top-notch support. Becoming part of the Northwest Pipe team means embracing and demonstrating our core values, which include Accountability, Commitment and Teamwork. Employee safety, customer satisfaction and manufacturing quality products are our highest priorities.

We currently have an opening for a Painter at our Saginaw, TX Manufacturing Facility for our night shift.

SUMMARY OF JOB PURPOSE:

Cleans, inspects, prepares and moves pipe for sandblasting, cleaning, painting and tape operations. Operates pipe cleaner, paint, tape and sandblasting machine safely and efficiently to create quality product.

ESSENTIAL FUNCTIONS AND MAJOR RESPONSIBILITIES:

- Ensures pipe is cleaned prior to entering paint machine area.
- Loads and unloads product in the paint and tape machine area.
- Assists workers in diagnosing problems associated with the taping and painting of product.
- Inspects and maintains paint and sandblasting machine to ensure production of quality product.
- Inventories and maintains supplies.
- Maintains time and time machine production records.
- Confers with other supervisors to coordinate activities of individual departments.
- Loads paint product on paint machine in a safe manner.
- Operates forklift and other product handling equipment.
- Performs STOP audits.
- Follows SOX and ISO procedures
- Other duties may be assigned.

KNOWLEDGE, SKILLS, ABILITIES:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Ability to read, analyze, and interpret general business periodicals, professional journals, technical procedures, or governmental regulations.
- Ability to write reports, business correspondence, and procedure manuals.
- Ability to effectively present information and respond to questions from groups of managers, clients, customers, and the general public.
- Ability to add, subtract, multiply, and divide in all units of measure, using whole numbers, common fractions, and decimals.

- Ability to compute rate, ratio, and percent and to draw and interpret bar graphs.
- Ability to solve practical problems and deal with a variety of concrete variables in situations where only limited standardization exists.

EDUCATION / EXPERIENCE

- Candidates with two or more years of experience as a certified welder in a pipe manufacturing facility are highly preferred
- Minimum one year certified welding experience in a heavy manufacturing environment required
- Current / valid certification in FCAW 2G and 3G and SMAW 2G, 3G and 7018 preferred
- Experience operating forklifts, overhead crane and or sub arc welding desired

CERTIFICATES, LICENSES, REGISTRATIONS

- High school diploma or general education degree (GED) and one to two years related experience and/or training: or equivalent combination of education and experience preferred.

PHYSICAL DEMANDS/WORK ENVIRONMENT:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this job, the employee is regularly required to stand; use hands to touch; reach with hands and arms; and talk or hear.
- The employee frequently is required to walk and stoop, kneel, crouch, or crawl.
- The employee is occasionally required to sit, climb or balance, and taste or smell.
- The employee must regularly lift and/or move up to 10 pounds, frequently lift and/or move up to 25 pounds, and occasionally lift and/or move up to 50 pounds.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.
- Project timelines and work volume / deadlines may often require working outside of standard hours, weekend or evening work, and travel to complete essential duties of this job.
- Ability to carry out instructions furnished in written, oral, or diagram form and to solve problems involving several variables.
