We offer a work environment that values safety and team input, and provides opportunities to gain skills and grow your career.

ABOUT THE JOB

This position is responsible for performing general manual labor. Individuals in this position work with and around, and may operate, various tools, machines and equipment. This position will assist in departmental housekeeping and safety efforts. Work normally is performed under close supervision; however, close supervision is not always available for routine and repetitive tasks which can be carried on without difficulty once they are learned. As work experience is gained, employees may be assigned to tasks that are more difficult in nature and require more responsibility.

ESSENTIAL FUNCTIONS & MAJOR RESPONSIBILITIES

- Performs various general labor work including shoveling, clean up and removal of damaged lining
- Operation of hand tools and equipment
- Receives OTJ to apply various coatings and linings to pipe by machine and/or hand application
- Inspect pipe before and after pipe is coated and or lined
- Cleans and inspects machines
- Loads and unloads product in to specific machines
- Operate forklift and skip loader
- Ensures pipe is cleaned prior to entering paint machine area
- Loads and unloads product in the paint and tape machine area
- Assists workers in diagnosing problems associated with the taping and painting of product
- Inspects and maintains paint and sandblasting machine to ensure production of quality product
- Loads and operates paint product on paint machine in a safe manner

- Follows SOX and ISO procedures

EDUCATION/EXPERIENCE

- High school diploma or equivalent preferred
- Prefer two years experience in a heavy manufacturing environment

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
