Get ready to grow with us.

Northwest Pipe Company is the nation's leading manufacturer of water infrastructure products and with over 50 years of experience, we're just getting started! Our business is growing, and we're looking for great people to grow with us. We're immediately seeking a **Forklift Operator** to join our Geneva Pipe and Precast team in **St. George, UT**.

WE OFFER

- Medical, Dental, Vision, Life, and AD&D Insurance (1st of month after hire)
- Paid Vacation, Holidays, and Sick Time
- Weekly Paycheck
- 401k Retirement Savings Plan with Employer Match
- Bonus Potential
- Tuition Reimbursement
- Safety Footwear and Eyewear Voucher (day 1 of employment)
- On-Site Refreshments
- Employee Assistance Program
- Opportunities for Career Advancement
- Values-Driven Culture Committed to Diversity, Inclusion, and Safety

OUR VALUES

- **Accountability** is evident when we do what we say we are going to do and people accept responsibility for their actions. We do not point fingers and blame others. We own our actions.
- **Commitment** is not only promising to do something, but actually investing in the necessary effort and actions to make it happen.
- **Teamwork** is essential for competing in a challenging and constantly changing business environment. Working together across all job functions is critical to achieving our success.

ABOUT THE JOB

Under ongoing supervision, loads and unloads large concrete products and accessories onto flatbed trucks and trailers, and other materials required by the facility.

ESSENTIAL FUNCTIONS & MAJOR RESPONSIBILITIES

- Loads materials and equipment safely and efficiently on vehicles.
- Unloads materials and equipment safely and efficiently.
- Moves product, materials and equipment safely.
- Prepares vehicles and equipment for loads.
- Cuts materials in a safe manner to ensure safe transport of product and equipment
- Counts and marks all materials.
- Operates forklift, crane or other heavy equipment in a safe manner.
- Participates in all inventories.
- Performs other duties as needed by the Production Supervisor.
- Conducts safety audits.
- Other duties may be assigned.

EDUCATION/EXPERIENCE

- High school diploma or general education degree (GED); or one to three months related experience and/or training; or equivalent combination of education and experience
- Past experience driving a forklift of similar size and loading requirements
- Ability to certify on Grader/Loader and other various industrial powered vehicles.
- Overhead Crane certification or ability to obtain upon employment

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
