Northwest Pipe Company (NASDAQ: NWPX) is a North American leader in the manufacturing of welded steel pipe and tube. With nearly 50 years in the business and more than 900 employees, we provide the highest quality products, at competitive prices, with top-notch support. Becoming part of the Northwest Pipe team means embracing and demonstrating our core values which include: safety, quality, commitment and service. Employee safety, customer satisfaction and manufacturing quality products are our highest priorities.

NWP is looking for dynamic, energetic and career minded people who can make a difference and will immediately contribute towards taking our company to the next level. **We currently have an opening for a Project Designer at the Tracy manufacturing facility.**

General Job Description

A Project Designer (PD) supports the Project Manager's (PM) efforts from inception through production both in new product design and in existing product redesign on each individual project to which they are assigned.

Essential Functions

- Accurately compile the contract requirements, customer preferences, and manufacturing limitations of a given project into a cohesive design drawing package, bill of materials, and Track.net
- Ability to work in a fast-paced environment with demonstrated ability to juggle and prioritize multiple, competing tasks and demands and to seek supervisory assistance as appropriate
- Active communication with Project Managers
- Support the estimating functions

Other Functions

- Other duties as assigned

Knowledge, Skills and Abilities

- Advanced understanding of mathematics
- Superior analytical/ problem solving, written and verbal communications
- Excellent customer service skills
- Proficient PC skills including Microsoft Office and CAD applications
- Demonstrated ability to work independently with attention to detail and organizational abilities
- Ability to read, understand, interpret and lead / direct the work of others on project specifications
- Relies on extensive work experience and judgment to plan and accomplish goals while receiving minimal direction / instruction

Education / Experience / Certificates, Licenses, Registrations

- High school graduate or equivalent; college degree in engineering, mathematics or other job related area desired
- Project Designer: 1 - 4 years experience
- Senior Project Designer: 4+ years experience

Work Environment & Physical Demands

The majority of this position is performed in a climate controlled indoor environment but may include exposure to inclement outdoor extremes of cold, heat, wind and various forms of precipitation. The widest variance of noise is also encountered.

This job requires the ability to sit for 6 – 8 hours per day doing work on the computer, paperwork and or in person and phone communication (verbal communication). It may also require walking, moving around and or standing one hour a day. Walking can include traveling throughout an 80-acre facility with dirt roads and uneven ground. In the course of a normal day additional physical activities can include bending, stooping, squatting, kneeling, pushing, pulling, twisting, reaching and use of hands to finger. Vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

How to Apply:

If you are interested in and qualified for this position, please send your resume to TracyCareers@nwpipe.com and/or you can complete a NWP application.

Our organization maintains a drug-free workplace. Except where prohibited by state law, all offers of employment are conditioned upon successful passing of a drug test.

***Northwest Pipe Company is committed to equal employment opportunity and affirmative action.
Minorities, females, veterans, and individuals with disabilities are encouraged to apply.***

* If candidate is not identified in applications received by 01/23/2019 position will remain open until filled but may be closed at anytime on or after 01/23/2019 with or without notice.
