Northwest Pipe Company (NASDAQ: NWPX) is a North American leader in the manufacturing of welded steel pipe. With over 50 years in the business, we provide the highest quality products, at competitive prices, with top-notch support. Becoming part of the Northwest Pipe team means embracing and demonstrating our core values, which include: Accountability, Commitment and Teamwork. Employee safety, customer satisfaction and manufacturing quality products are our highest priorities.

NWP is looking for dynamic, energetic and career-minded people who can make a difference and will immediately contribute towards taking our company to the next level. **We are currently seeking an General/Limited Supervising Electrician at our Portland, Oregon facility.**

SUMMARY OF JOB PURPOSE:

Under general supervision, maintain, repair and install electrical systems, services and equipment to support Maintenance and Production.

ESSENTIAL FUNCTIONS AND MAJOR RESPONSIBILITIES:

- Troubleshoot to diagnose cause of malfunction, using test equipment and hand tools, to locate the cause of a breakdown and correct the problem.
- Assemble, install, test, and maintain electrical or electronic wiring, equipment, appliances, apparatus, and fixtures.
- Connect power cables to equipment, such as motors and welders.
- Inspect electrical systems, equipment, and components to identify hazards, defects, and the need for adjustment or repair, and to ensure compliance with codes.
- Install conduit (pipes or tubing) inside designated partitions, walls, or other concealed areas, and pull insulated wires or cables through the conduit to complete circuits between boxes.
- Plan layout and installation of electrical wiring, equipment and fixtures, based on job specifications and local codes.
- Direct and supervisor the installation of electrical additions and modifications as the Signing Supervisor. Manage the site electrical permits.
- Advise management on whether continued operation of equipment could be hazardous.
- Test-run repaired machinery and equipment to verify proper and safe operation.
- Examines parts for defects, such as breakage or excessive wear.
- Calibrate welding machines
- Maintain state electrical license.

EDUCATION/EXPERIENCE:

- High school diploma or general education degree (GED); and
- Oregon State Limited Supervising Electrical License or General Supervising Electrical License; and
- 1 year heavy industrial manufacturing experience (*preferred, not required*)
- Equivalent combination of education and experience.

BENEFITS:

- Medical, Dental, Vision, Prescription
- 401(k) retirement program with employer match
- Vacation and Sick Pay
- 10 Paid Holidays
- Employer Paid Life Insurance
- Shared Cost Short-Term Disability Benefit Plan
- Profit Participation Plan
- Employee Assistance Program
