- Shared Cost Short-Term Disability Benefit Plan
- Profit Participation Plan
- Employee Assistance Program

SUMMARY OF JOB PURPOSE:

Repairs, maintains, and performs preventive/predictive maintenance on plant equipment.

ESSENTIAL FUNCTIONS AND MAJOR RESPONSIBILITIES:

- Confers with operators and observes, tests and evaluates operation of machinery and equipment to diagnose cause of malfunction
- Repairs, replaces, adjusts and aligns components of machinery and equipment
- Fit bearings, shafts, attach motors and connect and align couplings and belts to precise tolerances
- Performs pipe fitting of both threaded and welded pipe of various sizes
- Fabricates replacement parts
- Test-run repaired machinery and equipment to verify adequacy of repairs
- Cleans and lubricates parts, equipment and machinery
- Examines parts for defects, such as breakage or excessive wear
- Welds to repair broken metal parts, fabricate new parts and assemble new equipment
- Records repairs and maintenance performed
- Rigging and overhead crane operation, lifting device use and inspection and load calculations.
- Other duties may be assigned

KNOWLEDGE, SKILLS, ABILITIES:

- Knowledge in the operation, troubleshooting and repair of hydraulic and pneumatic equipment
- Ability to read and/or interpret mechanical, pneumatic and hydraulic blueprints or schematics
- Understanding of overhead crane troubleshooting and repair

- Ability to read and interpret documents such as safety rules, operating and maintenance instructions and procedure manuals
- Ability to apply common sense understanding to carry out detailed but uninvolved written or oral instructions
- Ability to deal with problems involving a few concrete variables in standardized situations
- Computer skills needed, using SAP to order replacement materials, use Microsoft Excel for inventory management and Microsoft Word to generate documents as needed

EDUCATION / EXPERIENCE

- High school diploma or general education degree (GED); and
- One to three months related experience and/or training; or
- Equivalent combination of education and experience

PHYSICAL DEMANDS/WORK ENVIRONMENT:

- While performing the duties of this job, the employee is regularly required to stand; use hands to touch; reach with hands and arms; and talk or hear
- The employee frequently is required to walk and stoop, kneel, crouch or crawl
- The employee is occasionally required to sit, climb or balance and taste or smell
- The employee must regularly lift and/or move up to 10 pounds, frequently lift and/or move up to 25 pounds, and occasionally lift and/or move up to 50 pounds
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus
- While performing the duties of this job, the employee is regularly exposed to moving mechanical parts
- The noise level in the work environment is usually loud
- Employee must be able to work at heights of 60 feet and above the ground
