---

Northwest Pipe Company (NASDAQ: NWPX) is a North American leader in the manufacturing of welded steel pipe and tube. With over 50 years in the business, we provide the highest quality products, at competitive prices, with top-notch support. Becoming part of the Northwest Pipe team means embracing and demonstrating our core values, which include Accountability, Commitment and Teamwork. Employee safety, customer satisfaction and manufacturing quality products are our highest priorities.

NWP is looking for dynamic, energetic and career-minded people who can make a difference and will immediately contribute to an organization positioned for growth. **We currently have an opening for a Painter, at our Saginaw, TX Manufacturing Facility.**

**SUMMARY OF JOB PURPOSE:**

Cleans, inspects, prepares and moves pipe for sandblasting, cleaning, painting and tape operations. Operates pipe cleaner, paint, tape and sandblasting machine safely and efficiently to create quality product.

**ESSENTIAL FUNCTIONS AND MAJOR RESPONSIBILITIES:**

- Ensures pipe is cleaned prior to entering paint machine area.
- Loads and unloads product in the paint and tape machine area.
- Assists workers in diagnosing problems associated with the taping and painting of product.
- Inspects and maintains paint and sandblasting machine to ensure production of quality product.
- Inventories and maintains supplies.
- Maintains time and time machine production records.
- Confers with other supervisors to coordinate activities of individual departments.
- Loads paint product on paint machine in a safe manner.
- Operates forklift and other product handling equipment.
- Performs STOP audits.
- Follows SOX and ISO procedures.
- Other duties as assigned.

**SUPERVISORY RESPONSIBILITIES:**

- In the absence of the supervisor, this position supervises all employees assigned to the Mill Department.

**KNOWLEDGE, SKILLS, ABILITIES:**

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Ability to read, analyze, and interpret general business periodicals, professional journals, technical procedures, or governmental regulations.
- Ability to write reports, business correspondence, and procedure manuals.

- Ability to effectively present information and respond to questions from groups of managers, clients, customers, and the public.
- Ability to add, subtract, multiply, and divide in all units of measure, using whole numbers, common fractions, and decimals.
- Ability to compute rate, ratio, and percent and to draw and interpret bar graphs.
- Ability to solve practical problems and deal with a variety of concrete variables in situations where only limited standardization exists.

#### **EDUCATION/EXPERIENCE:**

- High school diploma or equivalent; or one to three years related experience and/or training; or equivalent combination of education and experience.
- Candidates with two or more years of experience as a certified welder in a pipe manufacturing facility are highly preferred.
- Minimum one year certified welding experience in a heavy manufacturing environment required.
- Current/valid certification in FCAW 2G and 3G and SMAW 2G, 3G and 7018 preferred.
- Experience operating forklifts, overhead crane and or sub arc welding desired.

#### **CERTIFICATES, LICENSES, REGISTRATIONS:**

- High school diploma or general education degree (GED) and one to two years related experience and/or training; or equivalent combination of education and experience preferred.

#### **PHYSICAL DEMANDS/WORK ENVIRONMENT:**

- While performing the duties of this job, the employee is regularly required to stand, use hands to finger, handle, or feel; reach with hands and arms; stoop, kneel, crouch, or crawl; and talk or hear.
- The employee frequently is required to walk and climb or balance.
- The employee is occasionally required to sit.
- Lifting and or retrieving items of 0-50 pounds without assistance; 50–100 pounds with assistance and 100+ pounds with mechanical assistance.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.
- While performing the duties of this job, the employee is regularly exposed to moving mechanical parts.
- The employee is occasionally exposed to outside weather conditions.
- Employees in this position are exposed to a wide range of varying degree of moderate to excessive noise levels.

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
